Our Invitation To . . .

THE 1969 IOWA ROYAL

The Iowa Royal Sale, for twenty years a highly regarded and widely recognized event has been sponsored by the Iowa Shorthorn Breeders Association.

It's reputation has become such that each year the Association and consignors to this sale strive harder to improve this sale and the quality of it's offering.

In the last several years these consignors have recognized the kind of beef animal demanded by the present day beef cattle industry. They accepted the challenge, used every tool at their command and are proud of the progress they have made.

Therefore, in this offering of 68 bulls and 25 females the results of their efforts are definitely apparent.

A study of this catalog will show that this sale offers good Shorthorns in every category of performance such as universally accepted breeding, show records, sales records, official performance testing records and fertility tests.

Year after year breeders, ranchers and farmers from a wide area and many states have come to the Iowa Royal for their improving herd bulls and foundation females. Their annual return must be considered proof of their satisfaction with the results. The last several years commercial producers interested in crossbreeding have found this sale a reliable source for their crossing seed stock.

In addition, junior club members and breeders in increasing numbers have found this sale an ideal place to obtain their junior project and future herd foundation females.

Plan to attend this sale. We are confident that this offering will fill the needs of everyone.

W L MARINE—This bull was purchased in the 1965 Iowa Royal Sale and has been in service ever since. We have retained many of his daughters and are now using two Louada bulls so further use is very limited. He is one of the top sons of Louada Aristocrat. He is as sound as the day we bought him and a sure breeder. Some of the very best females in the herd are by him. A real opportunity to buy a proven four year old bull.

However, we have too many females related to him so his use is very limited. For that reason we offer him for sale. His sire was among the tops at a Sioux Empire sale and is intensely bred in the blood of the great Calrossie Mercury. His dam is by an Omaha sale champion and a great sire.

We showed this bull a bit this summer and he won his class several times. Barbarian Nonpareil is a very strong cow and good milker. We didn't get a 205 day wt. on this lad but at 363 days he weighed 1010 lbs. A real meaty smooth bull. Semen tested.

P F NUGGET 2nd—One of the most outstanding bulls we have ever consigned to the Iowa Royal. He is sired by P F Nugget, the 1965 All American, the Iowa State Fair grand champion, and the 1966 Iowa Royal grand champion that sold for \$1650 to Len-Ru Farms, Hartley, Iowa where he is proving to be an excellent sire. His imported dam is one of the good cows of the breed and has been one of our best producers. This bull has a good head, very sound on feet and legs, plenty of thickness, length, and size. We have used this bull and his first calves will arrive in January.

One of the longest bulls I have ever raised and shows a lot of character in his head. Sired by the undefeated supreme champion of Great Britain, Glamis Benefactor. The only bull ever to win both Perth and Royal Highland supreme championships in one year. Benefactor has sired numerous champions such as 1967 International, Grand and reserve champion female and both junior and senior get of sire. His dam, Princess Mary of K C is a big, stretchy cow with a powerful pedigree being sired by the \$36,000 Louada Nugget. K A LIGHTSHIP—This bull boasts the whopping 1.55 sq. in. ribeye (adjusted ribeye area per 100 lbs. carcass) plus an actual fat thickness of only .25". Dr. R. H. White who sonoscoped our bulls, was very high in his praise of Lightship. Sire: Lewisfield Rival, the extra long, thick, heavy-quartered \$3150 son of Shirgarton Ranger. Dam: Nonpareil K 41, a full sister to the \$2,000 K A Dinero. LIGHTSHIP WILL NEVER HAVE THAT SQUARE TOP—he has that great turn over the top, he's long bodied—especially in the rump area, possesses that little more leg we're all after. He gained 2.9 lbs. a day over an official IBIA 154 day test and he's still growing. Weighs over 1300 lbs. now. We have several heifers in calf to Lightship.

M & S HIGH HOPES—Sired by Leveldale Peerless, one of the most popular bulls in this country. He was grand champion bull at Illinois in 1961 and 1962. Grand champion bull at the 1961 Eastern National, reserve junior champion at the 1961 International, grand champion at Harrisburg in 1962 and Eastern National shows, and senior champion at the 1963 National Western. High Hopes is a growthy bull and is fulfilling his name. I think so much of him I have bred some of my best females to him. He has a good rear quarter and has a lot of stretch. Has a good wide and alert head and he is a half brother to Leveldale Goodwill that sold for \$6,300 for $\frac{2}{3}$ interest to Tempel Farms. His dam is our most reliable producer and she is also our best milker. Look at this one. You will like him.

At the 1968 Waterloo Meat Show he placed second in a strong senior calf class which was the only time he was shown. He is by our new herd bull Boyden Blaze who sired the 1968 Iowa State Fair junior champion female and Waterloo Show grand champion. RENOWN'S NONPAREIL 9th—When you look at the mother's picture above you are looking at her daughter. We were going to put this heifer in the National sale as a special attraction but they cancelled the sale. We would like everyone to take special note to what this female is bred to—Royalty C Fascination X, son of Clipper King of Bapton X, a polled bull we are using heavily in the herd. We had hoped to have a picture of this bull but weather did not permit. Some people that have seen him have been very impressed. Renown's Nonpareil 9th will make a real buy for any Polled or horned herd. Her mother was undefeated champion in 1963. October breeding date IBIA tested 205 day weight 541 lbs. Weaning grade 15, index 144. No yearly weights on females.

STUDER'S BUTTERFLY CANDY—A real good heifer of the very best of breeding. Her sire, Northwood Traveler, was probably the best breeding son of the famous Bapton Pioneer. Her imported dam is by the world famous Glamis Benefactor. What more could you ask in a foundation female? To make her doubly attractive and valuable she will be bred before sale day to the service of Sutherland Prospector X, the reserve grand champion Polled Shorthorn bull of the 1968 International and grand champion of the 1968 Kentucky State Fair. He weighed 1065 lbs. at one year old. This heifer is a foundation female for the very best of herds.

Standard Guarantee

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

AN UP TO THE MINUTE PREVIEW OF URICE BROS. CONSIGNMENT TO THE IOWA ROYAL SHORTHORN SALE IOWA STATE FAIRGROUNDS - 12:00 NOON - FEB. 25, 1969

FIVE BIG, LONG, MEATY, MODERN TWO-YEAR OLD BULLS !!!

K A LIGHTSHIP - Lot 42 - Calved June 19, 1967. This bull sonorayed a whopping 15.02 sq. in. at 970 lbs. (2.55 sq. in. of ribeye to 100 lbs. of carcass) with only .25" of fat thickness. Dr. R.H. White, who sonoscoped our bulls, was very high in his praise of Lightship. Sired by Lewisfield Rival, the extra long, thick, clean, heavy-quartered son of Shirgarton Ranger. Dam: Nonpareil K 41, by Rothney Justinian. She is a full sister to the \$2000. K A Dinero. Lightship will never have that square top! He has that great turn over the top; he's long bodied, especially in the rump area; possesses that little more leg we're all after. He gained 2.9 lbs. a day over an official IBIA 154 day test and he's still growing. Weight on Feb. 13 - 1440 lbs. Weight per day of age - 2.38 lbs. We have several heifers safe in calf to him.

K A LAWBREAKER - Lot 13 - Calved April 7, 1967. A big, extremely long, powerful son of the \$3150. Lewisfield Rival. Dam: Nonpareil K 44, one of our largest and best daughters of Rothney Justinian. Lawbreaker's full sister is without a doubt the best heifer calf we've ever had! Lawbreaker gained 2.72 lbs. per day on an official 154 day test. His adjusted sonorayed ribeye was just under 2 sq. in. per 100 lbs. of carcass. His fat thickness was a very lean .25" at 1205 lbs. Weight on Feb. 13 is 1515 lbs. If you're needing more length and growing ability, he has it!

K A LOCKSMITH - Lot 32 - Calved May 15, 1967. If you're looking for muscle in a bull, this one has it! He displays tremendous muscular action when he moves. He's exceptionally long bodied and thick with a very clean, bulging quarter. His official IBIA 205 day wt. was 492 lbs. Yearling wt. 923 lbs. He sonorayed an adjusted ribeye of 2.06 sq. in. per 100 lbs. carcass and had only .21" fat covering at 1085 lbs. Locksmith's extreme muscling and leanness certainly has the attributes of high cutability. If you have an excess fat covering in your herd, this bull will help get rid of it! He can't help but sire ideal carcass steers!! Sired by Lewisfield Rival. Dam by Allwood Pioneer. Weight on Feb. 13 is 1430 lbs.

K A LAMPLIGHTER - Lot 21 - Calved April 13, 1967. Sire: Lewisfield Rival. Dam: A first calf heifer by Allwood Pioneer. From the same family as last year's IOWA ROYAL \$1275. CHAMPION bull that sold to John Land & Sons, Ridgefarm, Illinois. Lamplighter is thick, flashy, very trim and rugged. His sonorayed ribeye was just a few hundredths of an inch under the excellent 2 sq. in. per 100 lbs. of carcass. His actual fat thickness at 1025 lbs. was only .3". Weight on Feb. 13 is 1305 lbs.

K A LUMBERJACK - Lot 34 - Calved May 23, 1967. By the old Calgary Champion, the \$3500. Rothney Justinian. Dam by K A Cagarac by Bapton Constructor. Justinian was a ton bull who was 10 years ahead of his time with his length of body, great turn over the top and trim covering. Lumberjack is a full brother to Glen Ahrendson's \$950. K A Juniper. He has a world of character and is a great walker. His sonorayed ribeye was only .13 of an inch below the 2 sq. in. per 100 lbs. of carcass reading which is considered excellent. Actual fat covering at 945 lbs. was .3". Weight on Feb. 13 is 1335 lbs.

Studer of Wesley, flanked by two grandsons, Mike Studer, 22 (left) and Dale Studer, 16, poses behind White Knight's Fireball, the bull selected as champion Shorthorn Tuesday at the Iowa Royal Shorthorn Show in Des Moines. Studer won both the bull and female championships in the state show held at the fairgrounds. At the halter is Frank Matern of Britt, who helps exhibit Studer cattle. This bull won championships last year at the South Dakota State Fair and at the Sioux Empire Livestock Show at Sioux Falls, S.D.

STUDER SHOWS 2 CHAMPIONS

One of Iowa's best-known cattle figures, Ben G. Studer of Wesley, swept both top championships Tuesday at the annual Iowa Royal Shorthorn Show held in Des Moines at the State Fairgrounds.

WARREN
COWMAN

Studer, 78, has been a Shorthorn breeder for 52 years and has won many state championships with his cattle.

"I've had a lot of champions," he said after the show Tuesday where he exhibited both the champion bull and the champion female.

"But I don't recall if I ever won both championships in the same show before."

Fireball and Candy

Studer's champion bull was White Knight's Fireball, which is nearly a two-year-old. This Shorthorn last year won championships at the South Dakota State Fair and the Sioux Empire Livestock Show at Sioux Falls, S.D.

"This bull also has been a member of the first-place get of sire at seven livestock shows last year, including the Minnesota State Fair," Studer added.

His champion female was Studer's Butterfly Candy, a heifer sired by a Shorthorn bull imported from Scotland.

There were 68 bulls and 25 females entered in the state show, judged by Dewey Lunstra of Beaver Creek, Minn.

The reserve champion bull was K A Lawbreaker, entered by Urice Bros. of Vinton. The reserve champion female was P F Nonpareil, consigned by Penningroth Bros. of Wellman.

Price Tags

The Studer champion bull sold for \$1,200 at the sale held in conjunction with the show. The buyer was Alfred Anderson of Ayr, Neb.

Another bull, consigned by Urice Bros. of Vinton, also sold for \$1,200. The buyer was Bill Boysen of Madison, Neb.

The champion female, exhibited by Studer, sold for \$610. The buyers were Donald Liene-mann of Adel and Ben Kelly of Dallas Center.

Warren Cowman, 51, of Prairie City, was elected president of the Iowa Shorthorn Breeders' Association at the organization's annual business meeting held prior to the state show and sale.

Cowman, a Shorthorn breeder for about 30 years, succeeded Roger Applegate of Oakland.

Elected state vice-president was E. W. Maurer of Fayette. Albert J. Hamann of Rock Rapids was renamed secretary-treasurer.

NEW YORK, N.Y. — The stock market's anticipated technical rally showed up—and fizzled—in Wall Street Tuesday. An opening spurt of bargain-hunting, on the heels of five straight sharp declines, pushed prices broadly ahead for about an hour. After that, the fire gave out, the list turned down and prices moved to their lowest levels by the close.

The Dow Jones industrial average was ahead nearly seven points at its best early in the second hour, but finished with a loss of 4.17 points at 899.80. The Dow, which climbed up near the 900 level less than two weeks ago, broke under the 900

Volume Dips

Standard and Poor's 500-stock composite was off 0.62 point at 97.98 and the New York Stock Exchange index lost 0.40 point to 55.19.

At the bell, 12.32 million shares had changed hands, off from 12.73 million in the previous session.

In the early bounce, advancing stocks took a lead of some 250 issues over declines, but that melted away and at the close, 1,009 issues were down and 369 were up. It was the fifth time in the last six sessions that more than 1,000 stocks lost ground and compared with 1,173 losers and 274 winners on Monday. There were two new 1968-69 highs, off from three in the previous session, and 107 new lows, up from 96.

Brokers were skeptical of the rally right from the start. Tape watchers said a good part of the buying came from so-called hedge funds, private investment partnerships famous for their agility. That kind of buying, they said—which could turn into selling at any moment—was not enough to keep the rally alive and, when it was not followed up by more sustained interest, the downturn became a matter of course.

There was some good news overlooked in the slump. Steels for the most part, ignored word of a move in Congress to impose quotas on imported products. Bethlehem held on to a 1/2 point gain at 32 1/2, but U.S. Steel lost a point to 42 1/2 and others in the group were fractionally lower.

Autos gained nothing from generally good sales reports
